ELEVATE at [Studio Name]

ELEVATE is a unique way for our students to study a National Qualification through us, your studio, and Empowerdance Pty Ltd (RTO 40397).

We're thrilled to be an approved provider with Empowerdance, giving our students the opportunity to use their regular classes toward a recognised qualification.

Each week, Empowerdance master trainers deliver online theory classes via a virtual classroom platform. All theory assessments are completed and uploaded through the Empowerdance online portal.

Certificate III and IV students will also work alongside our teachers for practical and teaching units, gaining real studio experience.

Students collaborate in group assessments, enjoy flexible learning, and are assessed as Competent or Not Yet Competent based on their progress.
